Conference Sponsorship Opportunities

STRONGER TOGETHER 2027 CONFERENCE

June 11-13, 2027 • Denver, Colorado

Dear Friends & Supporters,

On behalf of the 22q Family Foundation, we invite you to become a founding sponsor of the Inaugural 22q Family Conference. Built around the core principles: **Connect, Learn, and Belong,** this national conference will provide expert-led education, meaningful connection, trusted resources, and a rare sense of belonging for the entire family.

22q is one of the most common yet overlooked genetic conditions, impacting families through complex medical, developmental, and mental health challenges. I joined this community when my son, Cohen, was born with a 22q deletion diagnosis. What began as a search for answers and community became a mission that has guided my work through the 22q Family Foundation for the past 10 years, helping expand support to thousands of families worldwide.

Today, every free program and resource we provide is made possible through the generosity of sponsors and donors who believe no family should walk this journey alone. Yet awareness of 22q remains limited, leaving many educators, pediatricians, therapists, and caregivers without the resources needed to support affected individuals and families. For many attendees, this conference will be the first place they feel truly seen, understood, and connected with others who share the 22q journey.

With your support, we can expand awareness, strengthen advocacy, and improve access to education and early intervention resources that can change lifelong outcomes. We hope you'll join us in building a positive future for the 22q community worldwide, because we are truly **Stronger Together.**

With gratitude,

Lindsey Garcia

Lindsey Garcia
Executive Director

- ❑ **Panel/Speaker** | $700 (10 spots available)
  Sponsor an invited researcher to attend the conference and lead an educational session.
- ❑ **Welcome Bag Insert** | $500 (10 spots available)
  Provide a 5x7 insert or small product for attendee welcome bags.
- ❑ **Breakout Session** | $500 (4 spots available)
  Support a breakout session for caregivers and researchers.
- ❑ **Authors Table** | $500
  Support a space for authors to connect with attendees, with additional recognition on bookmarks.

Community Impact Partner

For organizations that provide year-round support, education, and resources to the 22q community through strategic partnerships with the 22q Family Foundation, we have built a special Community Impact Partner package. Reach out to discuss options.

Individual Contributor

Help make the conference possible through a personal contribution. Gifts of any size directly support programming, family scholarships, and resources for the 22q community. Contributions may be recognized in conference materials or remain anonymous upon request.

22q Family Foundation Impact:

Since 2016, we have supported thousands of families through education, advocacy, and connection:

Invested more than $2 million in professional career, education, and benefits consulting services, totaling nearly **20,000 hours** of individualized support

- **Educated 4,500+ school staff** and supported 800+ IEP meetings through Education Station
- **Hosted webinars, caregiver retreats, and community programming** attended by families and professionals worldwide
- **Awarded $67,000 in scholarships** to individuals with 22q and their families
- **Partnered with 30 hospitals** and organizations nationwide
- **Expanded adult support services** through career coaching, disability planning, and benefits consulting
- **Built a global community** of 28,000+ social media followers and supporters
